

Photo Permission/Waiver

We're in the process of revamping our website, growing our development efforts, and the capital campaign. As part of the process we are creating brochures and other media to share the vision of FCS with interested parties and we need your help. Our desire is to use actual photos of our students, teachers and staff to share our school with others.

As schools and education move further and further into the technological future, there are multiple occasions when pictures of student, or pictures of their work, can be used for display purposes. However, to display student work or pictures requires parental permission.

As adults and parents, we are all aware of both the positive and negative possibilities of the Internet. We are committed as an institution to preserving your child's privacy and security. Any Internet publishing of student names will use only the child's first name and last initial; pictures of students will have no individual student identification beyond the situation in which the picture was taken.

If you consent to the usage of your child's work, photo, or name, please fill out the form below and return to FCS. Any special requests should be written on the form. Should you have any concerns, please do not hesitate to contact Tina Gilchrist at 595-5337.

I give my permission for my child's work and/or picture to be published through the FCS website and in school advertisements. I understand that FCS cannot restrict access to the web-site contents. I hereby give permission and release the school from any liability resulting from or connected with the publication of such work. **This permission covers all written, audio, video, and electronic publishing mediums. Unless otherwise notified, this agreement will remain in effect as long as your child is a student at Franklin Classical School.**
